## Happy Pie-Day!

By Slayde Omura

Every year, the Office Activities Committee is happy to carry on the annual tradition of distributing Zippy's pies to staff, agents and their families to enjoy for the Thanksgiving Holiday! It's always a tough decision between pumpkin, custard and apple; they are all the perfect ending to any Thanksgiving meal. However, custard was this year's clear winner and easily outnumbered the orders for pumpkin and apple combined. Thank you to Chason and Atlas for always providing us with such yummy dessert!

## New Hire Lunch

We had our annual new hire lunch for all of the employees that joined the Atlas Ohana in 2018. We firmly believe in these new hire lunches as it is the perfect opportunity for the new hires and the management team to get together and talk story outside of the office. They are always filled with a ton of laughs and great food!

## AOAO Conference—Service and Emotional Support Animals

The AOAO Atlas team hosted a conference for those interested in a discussion about the differences of service and emotional support animals. It was a panel discussion centered around service animals and how it relates to community associations. We would like to thank our panel members for their time and valuable input on the subject. We even had Zoe, a trained service dog in attendance to demonstrate what the specific behaviors that a service dog should be trained to follow.

## Congrats, Carol!

We are happy to announce and congratulate our own Carol Davis on her promotion from Senior Vice President to Executive Vice President of Sales & Retention. In this new role, Carol will lead all aspects of sales performance strategies and efforts for Atlas Insurance Agency. “Carol brings nearly 25 years of industry knowledge and leadership experience to her new role,” said Atlas President, Chason Ishii. “I have the utmost confidence she will be successful in this key position and will take Atlas to a new level in being the dominant agency in Hawai‘i. She is a true leader at Atlas and we are looking forward to what’s to come.” Congratulations, Carol!

## Congrats, Tricia!

Congratulations to Patricia "Tricia" Miyashiro, AFSB, CRIS on her promotion from Assistant VP of Surety to EVP of Operations! Tricia rejoined the Atlas Insurance and Island Holdings family last year in 2017 and we are now happy to see her move into an executive management position. In her new role, Tricia will help Atlas achieve its financial goals and objectives while increasing operating performance. “Tricia’s strong work ethic, commitment to our core values, and years of industry experience were key in the selection process,” said Atlas President, Chason Ishii. “This key organizational change, along with other strategic refinements will position Atlas Insurance for a bright future. We are so glad to have Tricia join the executive team.” Congratulations, Tricia!

## Congrats, Lisha!

By Sharon Hodson

Please join me in congratulating Lisha Nakamura on her promotion to Commercial Operations Account Manager II effective 11/1/18.

Lisha graduated from the Shidler College of Business at the University of Hawaii which led her to an internship position at Atlas in April of 2017. She started in the IT department where her project was to update our company intranet. Upon completion of the intranet project in December 2017, Lisha came onboard in the Commercial Operations department as an Account Manager I. Since then, Lisha

has successfully obtained her Property & Casualty Producers license and has passed the AINS 23 course.
