

Guidelines for Opening Up America Again

<https://www.whitehouse.gov/openingamerica/>

Gating Criteria:

| SYMPTOMS | CASES | HOSPITALS |
|---|---|---|
| Downward trajectory of influenza-like illnesses (ILI) reported within a 14-day period | Downward trajectory of documented cases within a 14-day period | Treat all patients without crisis care |
| AND | OR | AND |
| Downward trajectory of covid-like syndromic cases reported within a 14-day period | Downward trajectory of positive tests as a percent of total tests within a 14-day period (flat or increasing volume of tests) | Robust testing program in place for at-risk healthcare workers, including emerging antibody testing |

Guidelines for all phases:

Employers

- Develop and implement appropriate policies, in accordance with Federal, State, and local regulations and guidance, and informed by industry best practices, regarding:
 - Social distancing and protective equipment
 - Temperature checks
 - Testing, isolating, and contact tracking
 - Sanitation
 - Use of disinfection of common and high-traffic areas
 - Business travel
- Monitor workforce for indicative symptoms. Do not allow symptomatic people to physically return to work until cleared by a medical provider.
- Develop and implement policies and procedures for workforce contact tracing following employee COVID+ test.

Phase One

For States and Regions that satisfy the gating criteria

Employers

- Continue to ENCOURAGE TELEWORK, whenever possible and feasible with business operations.
- If possible, RETURN TO WORK IN PHASES.
- Close COMMON AREAS where personnel are likely to congregate and interact, or enforce strict social distancing protocols.
- Minimize NON-ESSENTIAL TRAVEL and adhere to CDC guidelines regarding isolation following travel.
- Strongly consider SPECIAL ACCOMMODATIONS for personnel who are members of a VULNERABLE POPULATION.

Phase Two

For States and Regions with no evidence of a rebound and that satisfy the gating criteria a second time

Employers

- Continue to ENCOURAGE TELEWORK, whenever possible and feasible with business operations.
- Close COMMON AREAS where personnel are likely to congregate and interact, or enforce moderate social distancing protocols.
- Strongly consider SPECIAL ACCOMMODATIONS for personnel who are members of a VULNERABLE POPULATION.

Phase Three

For States and Regions with no evidence of a rebound and that satisfy the gating criteria a third time

Employers

- Resume UNRESTRICTED STAFFING of worksites.

Additional details provided for each phase for **Individuals** and **Specific Types of Employers** (Schools, Senior Living Facilities/Hospitals, Large Venues [sit-down dining, movie theaters, sporting venues, places of worship], Elective Surgeries, Gyms, and Bars).

Hawai'i Economic and Community Recovery & Resiliency Plan

[\(Link\)](#)

Part 1. Stabilization

Identify and address critical economic and community impacts, including the allocation of the federal CARES act funds and state and local funding to mitigate the collapse of key economic sectors. Also, provide direct economic relief to individuals to avoid homelessness, hunger and sickness.

Part 2. Recovery

Identify and support economic and community development activities which provide recovery, job growth and capital investment in the economy.

Part III: Resiliency

Re-evaluate and restructure Hawai'i's economy to meet the new normal and desired future for Hawai'i. Identify and invest in systemic changes in the economy and society which furthers economic diversification, environmental preservation, sustainability and Hawai'i's values and way of life.

To address community needs and expedite the decision-making process, input from key stakeholders and sectors will be essential. Each sector will have a state government appointed liaison to provide support, outreach and connect ideas and needs with available government and community resources. They will also be asked to identify and leverage tools, resources, and assets available to achieve desired outcomes, including the roles and responsibilities of government, business, nonprofits, labor organizations and individuals.
